Those who are unable to attend the meetings are encouraged to provide their comments via e-mail to School District 203 at athleticfields@naperville203.org or to the Naperville Park District at info@napervilleparks.org; please type "Garden Plots" in the subject line.

In addition to hosting Community Engagement meetings, the Naperville Park District is also in the process of conducting a Garden Plots survey. On October 22nd the Park District mailed a survey to all households registered for garden plots in 2008. We encourage everyone who received a survey to please complete the form and return it to the Park District by November 17, 2008.

A copy of the survey may also be found on the Park District website at the following link: <http://www.napervilleparks.org/docs/27edc431-1fc2-48d9-84db-b4ff6b052b4d.pdf> Anyone who may have shared a garden plot in 2008 or individuals interested in completing a survey may do so by printing a form from our website. All completed surveys must be returned to the Park District by November 17th. Surveys received from registered garden plots households will be compiled separately from completed web surveys.
