

Dear Naperville Gardener,

The purpose of this email is to provide you with information regarding the Naperville Park District Garden Plots program. Please see below for details.

2010 Garden Plots Participant Survey

The Park District is in the process of surveying participants in the 2010 Garden Plots program in order to better understand your garden plots experience and how we can best serve you in the future. On Monday, August 30th a survey was mailed to each participant currently registered in the garden plots program. The survey will take approximately 10 minutes to complete, but each question is important. Completed surveys should be returned to the Park District **by Friday, September 17, 2010** using the postage-paid return envelope included in the mailing.

Please take this opportunity to provide us with your feedback on the garden plots program. We greatly appreciate your time!

Garden Plots Parking Permits

Please remember to have your garden plots parking permit with you and visible at all times while visiting the garden plots. Our Park Police Officers are patrolling the garden plots and may ask to see your permit. To report any suspicious activity in the parks, Park Police may be contacted by calling the non-emergency Park Watch line at (630) 848-5050. For immediate non-emergency Park Police service please call our officer on duty cell phone at the (630) 601-0925 after 9:00 a.m.

We hope that you continue to enjoy the 2010 garden plots season. Have a wonderful Labor Day weekend!

Sincerely,
Naperville Park District
