Adopt-A-Park Process

Commitment Requirements

The Naperville Park District asks all volunteers to commit to one year of service to the adopted park, scheduling at least 6 work days per year.

Initial Process

- A group leader or individual must complete, sign and return the Adoption Application and Agreement forms. All members of the volunteer group must sign and return the Volunteer Service Waiver/Adult or Volunteer Service Waiver/Minor depending on the age of group members. Minors are required to have a parent or guardian signature as well.
- The Adopt-A-Park staff will first review your application and forms then contact you about your request.

Orientation

- Once the adoption is approved, the program staff will meet with the group leader and members to review basic tasks of park maintenance and provide the group leader with a kit of supplies for the season.
- Volunteers are required to read, understand and follow the Safety Guidelines in the handbook. Volunteers also are expected to follow all park and trail rules.

Volunteer Tasks

General Tasks vs. Approval Tasks

- General Tasks can be done at your adopted park on a regular basis and do not require prior approval or supervision from the Naperville Park District staff, nor do they require any special tools. Tasks include:
 - Litter pick up
 - Sweeping
 - Weeding
 - Light cleaning of graffiti
 - Reporting of any park hazards
- Approval Tasks require pre-approval and/or supervision from the Naperville Park District staff, as well as special training or tools that volunteers are not regularly supplied with. Examples of these tasks include:
 - Painting of graffiti, park fixtures, etc.
 - Planting projects or removal
 - Major weed removal or pruning

- If you are interested in completing one of these special tasks at your adopted location, please complete the Special Tasks Request form and Supply Request form if you will require any special tools or supplies and return it to staff. Please allow three weeks for the Special Tasks approval process.
- At times, park staff may have tasks that they wish to have completed in their park in addition to special projects. You may be contacted and given the opportunity to help with those projects.

Tracking Hours

- Volunteers are asked to track the hours they spend working on their adopted location. They should report these hours to staff by completing the Volunteer Hours Tracking form and submitting it by June 15 and November 15 each year. Program staff will track these hours. Tracking helps support the program by:
 - Justifying the need for more tools and supplies when submitting annual budgets
 - Tracking the growth or decline of the program
 - Assisting staff in providing volunteers with awards and recognition

Adding or removing members of your volunteer group

- Any new members of your volunteer group are required to sign and submit the Volunteer Service Waiver/Adult or Minor form, depending on their age, before they are allowed to perform any task in the park.
- Group leaders are responsible for training any new member of the group following the Naperville Park District orientation session and are responsible to ensure that members follow all guidelines.
- Group leaders need to inform program staff of any group members that join or leave the volunteer group by completing the Member Change form and submitting it to staff.

Supplies

- Program staff will provide a kit of tools and supplies to assist you in your tasks. The following tools and supplies are available on a limited basis and must be scheduled in advance from NPD.
 - Bags and gloves
 - Litter sticks
 - Basic gardening tools-rakes, brooms, shovels
 - Light graffiti removal supplies
- All tools, except bags and gloves, must be checked out. Bags and gloves may be picked up at any time. If you require tools for your general tasks, please complete the Supply Request form and submit it to staff. Please allow two weeks for processing and delivery or availability of these tools. For approval tasks, please submit the Supply Request form along with your request form.

Recognition

The Naperville Park District values all volunteers and will recognize those who have adopted a park. Recognition includes the following:

- An official Certificate of Adoption
- An invitation to the annual Volunteer Celebration
- Listing on www.napervilleparks.org

Retirement

- When an individual or group is not able to continue their volunteer efforts in their adopted park or trail, we ask that they please submit a letter of resignation to the Adopt-A-Park program staff.
