

## **Notice of Garden Plots Public Open House**

Dear Naperville Gardener,

The Naperville Park District will host a public open house on Thursday, June 18 to gather resident input regarding the design for West Street garden plot improvements and expansion within the northern portion of the plots, and for new garden plots at DuPage River Park near the corner of S. Washington Street and Royce Road. Residents interested in reviewing and commenting on the designs may attend the open house anytime between 6:00 p.m. and 7:30 p.m. at the Alfred Ruben Riverwalk Community Center - Community Hall, 305 W. Jackson Ave. Feedback received from participants will be used by the Park District to refine the designs for each of the garden plot areas.

For more information on the Garden Plots please visit the Park District website at [www.napervilleparks.org](http://www.napervilleparks.org). Notices have also been mailed to households participating in the 2009 garden plots program.

Sincerely,  
Naperville Park District
