Cub and Girl Scout Badge Program
The Naperville Park District is pleased to offer several new Learn It, Earn It! scout badge programs for local scout troops and dens. Group badge programs are designed to accomplish badge requirements. With over 25 programs for scouts, the Naperville Park District is your scouting headquarters for art, cooking, nature, science badges and more.

**Badge Programs**
- Badge programs are led by knowledgeable instructors who are Youth Protection trained/certified.
- Programs are designed to fulfill badge requirements. Badge requirements covered are highlighted in the program descriptions and will be more detailed within your contract.
- The program instructor will make every effort to cover the badge requirements listed under each badge program. However, some requirements or portions of a requirement may need to be completed during future scout meetings.
- Art, Cooking and Science programs include badges but Nature programs do not.
- The Millennium Carillon Tour includes a special patch for each scout.
- Some of the programs listed do not meet specific badge requirements, but are designed to provide opportunities for fun, hands-on experiences that promote personal growth and exploration.

**Payment/Fees**
FULL PAYMENT IS DUE AT THE TIME OF REGISTRATION.

Program fees vary and are based on the number of participants that can be accommodated within each program, the required program materials/supplies and the length of the program. Some programs also include badges for each scout.
Program Confirmation

- A registration confirmation will be sent via e-mail upon payment.
- Within one week of registration, the contact person will receive an e-mailed contract packet. Packet will include a contract with specific details about the program and a waiver that must be copied, completed and signed by each scout’s parent/guardian and brought to the program.

Cancellation and Refund Policy

- Programs cancelled more than two weeks prior to the start of the program will be refunded the program fee minus a $25 cancellation fee.
- Cancellations made less than two weeks prior to the start of the program will receive a 50% refund of the program fee.

On the Day of your program

- Please arrive on time. Programs that start late may need to be shortened and this may affect the instructor’s ability to cover all the requirements.
- Staff needs time before the program begins to prepare materials and will be ready to greet your group at the scheduled start time.
- Bring a signed and dated waiver form for each scout.
- Some programs require groups to bring food items. Please check your program confirmation email/packet for more details.
CELEBRATING EARTH AND SKY
Visit the Knoch Knolls Nature Center and talk to a naturalist about the natural world. Discover the important role of plants and the parts of a plant. Go on a hike to explore the colors, shapes and textures found in nature. Make a bark rubbing and search for seeds from different types of plants. Afterwards, make an origami butterfly to take home. Badges are not included, but program meets some of the requirements for obtaining the Daisy Between Earth & Sky Journey badges.

FUN FLOWER GARDENS
Investigate a prairie to learn how ladybugs and bees are important, plant seeds to create a mini-flower garden to take home and check out our worm composting bin. Role play natural objects found outside like wind, butterflies, or trees. Then play a wildlife charades guessing game. Badges are not included, but program meets some of the requirements for obtaining the Daisy Flower Garden Journey badges.

RESPECTING OUR RESOURCES
As a group, read and discuss Clover’s story then tour the nature center to find out how the building uses resources wisely. Learn more about bees and visit a prairie to look for bees in action. Come up with three ways to use resources wisely at your scout meetings and make a collage using old magazines. Badges are not included, but program fulfills the requirements for obtaining the Daisy Clover Petal.

WE REDUCE, REUSE AND RECYCLE
As a group, read and discuss Rosie’s story then go on a hike at Knoch Knolls Park. Along the way, pick up trash lying on the ground and throw it away or recycle it in the proper bins. Investigate rotting logs to discover how nature recycles and reuses resources then figure out three ways that people can reduce their trash. Badges are not included, but program fulfills 2/3 requirements for obtaining the Daisy Rosie Petal. (Requirement #2 not covered!).

Nature Tiger

Unless otherwise noted please refer to the following information for all Cub Scout Badge Programs.

Required Adventures

TIGERS IN THE WILD

Go hiking at beautiful Knoch Knolls Park. Before the hike the group will review the Outdoor Code and go over the Leave No Trace Principles. Bring along a backpack and your Tiger Handbook and be prepared to carry your own gear. Along the trail find three different animals or signs of animals, two different trees and two different plants. Badges are not included, but program fulfills 6/7 requirements for the Tigers in the Wild Adventure badge. (Requirement #5 is not covered.) Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit. Also have each scout bring along a backpack and their Tiger Handbook.

FEE: $94 (R)/$124(N) · LENGTH: 1.5 hrs

Sky is the Limit

Investigate the night sky and discuss the different kinds of jobs related to the field of astronomy. Discover the names of two former scouts that went on to become astronauts. Learn how to use a telescope to view the moon or planets. Find two constellations that you can see using only your eyes and find out which stars make up one of these constellations. Create and name your own constellation then decide on a constellation to recreate as a group using a tin can, hammer and nails. Held in the evening, times vary according to the season. Badges not included, but fulfills 7/8 requirements for the Sky is the Limit Adventure badge. (Requirement #8 is not covered.)

FEE: $94 (R)/$124(N) · LENGTH: 1.5 hrs
Required Adventures

PAWS ON THE PATH

Explore the trails as you take a one-mile hike at Knoch Knolls Park. Choose the right gear according to the weather, establish a buddy system and go over what to do if you get separated from the group. Before the hike review the Outdoor Code, and the Leave No Trace Principles. During the hike, find and name two birds, two insects and two other animals that you find or that live in the area. Also keep your eye out for two interesting things you’ve never seen before. Afterwards, as a group, draw a map of the route you took and add common map symbols including a compass rose. Badges not included, but fulfills 8/8 requirements for the Paws on the Path Adventure badge. Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $94(R)/$124(N) • LENGTH: 1.5 hrs

Elective Adventures

DIGGING IN THE PAST

Be a paleontologist for the day by making a fossil cast, going on a dinosaur dig, and creating edible fossil layers. Design your own dinosaur species to share with the group and play a dinosaur matching game to test your knowledge of dinosaurs. Also learn about Illinois’ state fossil, the Tully Monster. Badges not included, but fulfills 6/6 requirements for the Digging in the Past Adventure badge. Bring enough animal crackers, pudding and graham cracker crumbles for each scout to make an edible fossil layer snack (cups and spoons provided).

FEE: $114(R)/$144(N) • LENGTH: 1.5 hrs • AVAILABILITY: Year round; Mon.-Sat.

Required Adventures

FUR, FEATHERS AND FERNS

Observe wildlife and learn about composting during a visit to Knoch Knolls Nature Center. Take a one-mile hike to identify six signs of wildlife and observe plants up close with magnifying glasses. Find out what animals are endangered in our area and an animal that became extinct. Discuss the causes of animal population declines with the group. Badges not included, but meets 6/7 requirements for the Fur, Feathers and Ferns Adventure badge. (Requirement # 7 is not covered.) Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $94(R)/$124(N) • LENGTH: 1.5 hrs

Elective Adventures

A BEAR GOES FISHING

Visit the Knoch Knolls Nature Center to learn about local fish. Identify and draw three types of local fish and discover where they live and what they eat. Watch the fish in the aquarium being fed. Learn three fishing regulations for our area and the reason for these rules. Make a simple fishing pole then switch to a rod and reel and spend some time fishing in the pond. This program requires 1 scout leader for every 2-3 scouts. Badges not included, but fulfills most requirements for the A Bear Goes Fishing Adventure badge. (All of Requirement #4 is not covered – “spend a minimum of one hour trying to catch a fish”).

FEE: $114(R)/$144(N) • LENGTH: 1.5 hrs
WEBELOS

Required Adventures
WEBELOS WALKABOUT
Plan and go on a three-mile hike at Knoch Knolls Park, assemble a first aid kit and snack as a group and pick up litter along a section of the trail. Learn about poisonous plants and animals in our area, work in team leadership roles, and recite the Outdoor Code and Leave No Trace Principles. Badges not included, but meets 8/8 requirements for the Webelos Walkabout Adventure badge (with the exception of preparing a snack instead of a lunch). Group is responsible for bringing trail mix items. Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit. Each scout should bring one ingredient to make trail mix. (Please check with the scouts beforehand about allergies). We will supply the mixing bowl and large spoon for mixing, and scouts can reuse their bags or containers to hold their trail mix on the hike.

FEE: $124(R)/$154(N) · LENGTH: 2 hrs

Elective Adventures

INTO THE WILD
Discover the importance of aquatic ecosystems by exploring the pond, creek and river at Knoch Knolls Park. Observe the native fish in the aquarium and watch them being fed. Visit the pond, creek and river to discover and observe three additional animals in their natural habitats. Discuss how animals survive the cold winter months and why places like Knoch Knolls Park are great spots to view birds during the spring and fall. Learn about an animal that only lives in Northeastern Illinois and why it's only found here. Play a food web game and figure out the types of impact humans have on nature and what you can do to help the environment. Badges not included, but fulfills 6/6 Requirements (#4-#9a) for the Into the Wild Adventure badge. Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $124(R)/$154(N) · LENGTH: 2 hrs

INTO THE WOODS
Visit the Knoch Knolls Nature Center to learn more about native plants and trees. Go on a hike to view both deciduous and coniferous trees and role play the parts of a tree. Identify six common trees and six common plants in our area and figure out how wildlife and humans use them. Make a bark rubbing of the oldest tree in the park and estimate its age. Examine a “tree cookie” to discover its life story. As a group discuss the types of things we use everyday that are made from wood. Badges not included, but fulfills 6/7 requirements for the Into the Woods Adventure badge. (Requirement # 5 is not covered.) Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $124(R)/$154(N) · LENGTH: 2 hrs
