The Naperville Park District offers 10 group programs for Cub Scouts. Nine badge programs are offered at the Knoch Knolls Nature Center and one non-badge program features the Moser Tower/Millennium Carillon. Merit Badge programs are also offered at the nature center for individual scouts during the school year.

**NUMBER OF CHAPERONES/Scout Leaders**

- A minimum of 1 scout leader per 5 scouts is required for badge programs.
- Fishing programs require 1 scout leader per 3 scouts.
- In order to maintain the quality of the program and manageability of the group, no more than 6 scout leaders per group are permitted to attend (except for fishing programs).

**SIBLINGS**

- Programs are designed for the scouts’ age group and not intended for younger or older children. For this reason, siblings are discouraged from participating in scout programs.
- If siblings must attend with the group and plan to participate in the program, they may do so provided the total number of children does not exceed the program maximum.
- Siblings/non-scouts may be asked to leave the program if they are disruptive.

**PAYMENT**

**FULL PAYMENT IS DUE AT THE TIME OF REGISTRATION.**

Program fees vary and are based on the number of participants that can be accommodated within each program, the required program materials/supplies and the length of the program.

**MERIT BADGES**

We offer several Merit Badge programs throughout the school year. Individual scouts register for these programs through our Active Net program registration system or by calling 630-848-5000. Choose from Bird Study, Environmental Studies, Indian Lore, Weather and more. Visit apm.activecommunities.com/napervillenparks and search for Scouts BSA Merit Badges for the current Merit Badge offering.
A registration confirmation will be sent via email upon payment.

Within one week of registration, the contact person will receive an emailed contract packet. Packet will include a contract with specific details about the program and a waiver that must be copied, completed and signed by each scout’s parent/guardian and brought to the program.

Programs cancelled more than two weeks prior to the start of the program will be refunded the program fee minus a $25 cancellation fee.

Cancellations made less than two weeks prior to the start of the program will receive a 50% refund of the program fee.

Please arrive on time. Programs that start late may need to be shortened and this may affect the instructor’s ability to cover all the requirements.

Staff needs time before the program begins to prepare materials and will be ready to greet your group at the scheduled start time.

Bring a signed and dated waiver form for each scout.

Some programs require groups to bring food items. Please check your program confirmation email/packet for more details.

### Sky is the Limit

Investigate the night sky and discuss the different kinds of jobs related to the field of astronomy. Discover the names of two former scouts that went on to become astronauts. Learn how to use a telescope to view the moon or planets. Find two constellations that you can see using only your eyes and find out which stars make up one of these constellations. Create and name your own constellation then decide on a constellation to recreate as a group using a tin can, hammer and nails. Held in the evening, times vary according to the season. Badges not included, but fulfills 7/8 requirements for the Sky is the Limit Adventure badge. (Requirement #8 is not covered.)

**FEE:** $94 (R)/$124(N) · **LENGTH:** 1.5 hrs
**Required Adventures**

**PAWS ON THE PATH**

Explore the trails as you take a one-mile hike at Knoch Knolls Park. Choose the right gear according to the weather, establish a buddy system and go over what to do if you get separated from the group. Before the hike review the Outdoor Code and the Leave No Trace Principles. During the hike, find and name two birds, two insects and two other animals that you find or that live in the area. Also keep your eye out for two interesting things you’ve never seen before. Afterwards, as a group, draw a map of the route you took and add common map symbols including a compass rose. Badges not included, but fulfills 8/8 requirements for the Paws on the Path Adventure badge. Discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

**FEE:** $94(R)/$124(N) ∙ **LENGTH:** 1.5 hrs

WEBELOS

Required Adventures

WEBELOS WALKABOUT
Plan and go on a three-mile hike at Knoch Knolls Park, assemble a first aid kit and snack as a group and pick up litter along a section of the trail. Learn about poisonous plants and animals in our area, work in team leadership roles and recite the Outdoor Code and Leave No Trace Principles. Badges not included, but meets 8/8 requirements for the Webelos Walkabout Adventure badge (with the exception of preparing a snack instead of a lunch). Group is responsible for bringing trail mix items. Each scout should bring one ingredient to make trail mix. We will provide the mixing bowl and large spoon for mixing. Scouts can reuse their bags or containers to hold their trail mix on the hike. Please discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $124(R)/$154(N) - LENGTH: 2 hrs

Elective Adventures

INTO THE WILD
Discover the importance of aquatic ecosystems by exploring the pond, creek and river at Knoch Knolls Park. Observe the native fish in the aquarium and watch them being fed. Visit the wetlands to discover and observe three additional animals in their natural habitats. Discuss how animals survive the cold winter months and why places like Knoch Knolls Park are great spots to view birds during the spring and fall. Learn about an animal that only lives in Northeastern Illinois and why it’s only found here. Play a food web game and figure out the types of impact humans have on nature and what you can do to help the environment. Badges not included, but fulfills 6/6 Requirements (#4-#9a) for the Into the Wild Adventure badge. Please discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $124(R)/$154(N) - LENGTH: 2 hrs

INTO THE WOODS
Visit the Knoch Knolls Nature Center to learn more about native plants and trees. Go on a hike to view both deciduous and coniferous trees and role play the parts of a tree. Identify six common trees and six common plants in our area and figure out how wildlife and humans use them. Make a bark rubbing of the oldest tree in the park and estimate its age. Examine a “tree cookie” to discover its life story. As a group, discuss the types of things we use everyday that are made from wood. Badges not included, but fulfills 6/7 requirements for the Into the Woods Adventure badge. (Requirement # 5 is not covered.) Please discuss and prepare the Cub Scout Six Essentials for Hiking before your visit.

FEE: $124(R)/$154(N) - LENGTH: 2 hrs
