Naperville Premier Soccer League (NPSL) is a soccer league designed for players that want to play soccer in a competitive environment without committing to the expense and travel of club soccer. Club teams may also register.

### Teams may select from the following options:

<b>OPTION 2</b>	League play with certified trainer once weekly/ parent volunteer to coach games
<b>OPTION 3</b>	League play with certified trainer twice weekly/ parent volunteer to coach games

<b>OPTION 5</b>	League play with full time trainer/coach 2x per week and game

## Training Sessions

Teams registering for option 1 (league play only) will determine their own practice schedule and location. Lights will not be provided for those teams choosing option 1.

Training slots for teams that choose option 2-5 will be filled on a first come, first served basis based upon registration date and time. Some locations may have limited availability and if your first or second choice is not available, the NPSL coordinator will contact you about other possible options.

Training sessions will be one hour per week for 7 weeks beginning April 5. Additional practices and locations will be determined by the coach.

## Registration Information

There are two ways to register for the Naperville Premier Soccer League. Registration begins Monday, February 8 at 8:30 am.

### [TEAM REGISTRATION - CLICK HERE](#)

Coaches will register their team online choosing the option and course code that corresponds to their selection.

A \$200 non-refundable deposit or full payment is required at time of registration. Balance will be due March 26, 2021 and is non-refundable at that point.

All teams must register by February 26, 2021.

### [INDIVIDUAL REGISTRATION - CLICK HERE](#)

Players who are interested in the Premier League, but do not have a team, may register as an individual. If there is enough interest by age group a team will be created. There is no guarantee of placement on a team, however, we will do our best to either connect players with a team or create a team if there is enough interest. Teams will have a dedicated Challenger trainer as their coach and will practice one time per week. **Volunteer assistant coaches and/or team managers are needed for each team.** The last day to register as an individual or cancel and receive a refund is February 19, 2021.

Fee per person is \$188 resident and \$218 for nonresident.

Practices will begin April 5. All individual teams will practice at Meadow Glens.

Teams comprised of individual players will need to provide their own uniforms. This is not included in the fee. Information on options for uniforms will be provided once a team is formed.

## Additional Information

1. Teams will provide their own equipment. Home team is required to provide game ball. Each team should also have a first aid kit (bandages, gloves and ice packs).
2. Uniform choice will be determined by the team. Each team must have a home and away jersey, with numbers on the back. The team's jersey's, shorts and socks must be uniform.  
  
NYS blue/gold reversible jerseys may be worn, but numbers must be placed on the back. Teams may choose to purchase uniforms on their own or select from options available through the Naperville Premier Soccer League program.
3. Registration is open to anyone that is interested in playing. Teams may be composed of residents an/or nonresidents. Nonresidents must pay an additional \$20 fee payable to the Naperville Park District. Players playing on a club team also may play in the Premier league. Club teams may sign up and wear their club uniform.
4. Grade levels may be combined if a sufficient number of teams do not sign up.
5. Due to the quick transition timeline from the Premier University back to Premier League play, we **will not** be requiring team players to obtain ID cards for the Spring 2021 season.
6. Teams are grade based. Teams must consist of 2/3's of players from the grade signed up for. Players may play "up" one year but the number is limited to 1/3 of team roster. Players may not play "down" in grade level, even if age is same of those players in lower grade.
7. All players that register as a team will be required to complete an online waiver. Waiver codes will be issued to the coach and must be completed by March 26th.
