**RE: Virtual Community Outreach Initiative: Arrowhead Park – Playground, Ballfield, Basketball Court, and Parking Lot Renovations**

Dear Naperville Park District Resident,

The Naperville Park District is conducting a virtual community outreach initiative this year to inform residents about improvements planned for 2024. This letter is meant to inform you of a project proposed in your area at Arrowhead Park.

The Park District plans to renovate the playground, ballfield, basketball court, and parking lot at Arrowhead Park in 2024. The playground equipment, wood fiber surfacing, ballfield, basketball court and site furniture will be replaced; however, detailed designs have not yet been developed. The parking lot will also be resurfaced as part of this project. We invite you to let us know of any questions or suggestions about this project between now and August 2. The Park District will also provide an opportunity later this year for interested residents to help select the new play equipment through an online review process.

A map of Arrowhead Park is included on the reverse side of this letter. Any comments regarding the work planned for 2024 can be directed to my email or phone provided below. The comment period continues until noon on Wednesday, August 2, 2023.

A list of all projects included in this virtual community outreach initiative is available on our website at [www.napervilleparks.org/improvements](http://www.napervilleparks.org/improvements). Once the outreach period concludes, staff will review and consider the comments provided to assist with formulating final project plans.

We appreciate your time and input!

Sincerely,

Peggy Motta, PLA  
Project Manager
